SUBJECT: Reorganization of Tam Junction Area Including Annexation to Tamalpais Community Services District and Detachment from Almonte Sanitary District (File #1280)

Staff has received the attached correspondence from the General Manager of the Tamalpais Community Services District seeking withdrawal of the District's application for reorganization. The letter states that the District Board met on May 9, 2007 and determined not to provide services to adjacent areas until service is requested from those areas.

Since the proposal for reorganization involved no other petitioners, the District Board's request is sufficient grounds to discontinue processing of the application.

**Recommendation:** Based on the request of the Tamalpais Community Services District Board of Directors, direct staff to cease processing the proposed reorganization of the Tam Junction area.
